

Appl. No. 09/981,878
Supplemental Amdt. dated 05/17/2005

REMARKS

Applicants have added Claim 29 for consideration. The added claim contains the limitations of *having an icon associated with one of a plurality of bookmarked web pages upon instantiation or the first activation of a browser in a day*. Thus, Applicants submit that the added claim is also allowable over the applied references.

Hence, Applicants respectfully request reconsideration, allowance and passage to issue of the claims in the application.

Respectfully submitted,
